***Welcome and thank you for joining us in worship  
this morning!***

***We pray that this service will be a blessing to you  
and yours.***

*Siloam has introduced an additional option for viewing our online  
Worship Service - the ability to chat in real time with fellow  
worshippers  
during the service. If you would like to participate with others in  
this way,  
click on the following link any time after 10:20am and enter your*

*conversation in the sidebar, if you wish:*

*The actual pre-recorded live stream service will start at 10:30am. It will only be during the 10:20 to 11:15am timeframe that the chat will be available. For those wishing to view the pre-recorded service at any time without the chat option, please use the regular link below. Either way, we welcome you joining us for worship.*

*Special thanks to Rev. Wib Dawson for making everything flow together so beautifully, to Mike Ashton and Allyn Todd for their assistance during our recording sessions, to Jen & Liam Prince (and Smokey!) for the delightful Children's Message, to Betty Ross for reading scripture, to Dr. Todd Wieczorek, David Parisi and Kaitlin Stenbeck for the beautiful music, and to Rev. Ann Corbet for leading our service and delivering the message this morning! We also thank Erin Salter for formatting the electronic bulletins each week.*

***As well, have a look at what your Siloam friends are up to during these days of social distancing by checking out our Virtual Coffee Hour.***
